

Stockyard Hill Wind Farm Community Information Day Update

Detailed briefings for an extended period are to be held for interested members of the local community about the proposed Stockyard Hill Wind Farm. (More detailed briefings over a longer period replace the one day session that was scheduled in Skipton for Sunday 6 December.)

One-on-one information sessions will now be available at **Skipton and Beaufort from Sunday 6 December through to Wednesday 9 December.**

There will be information available on all aspects of the wind farm project, including the planning assessment process.

If you wish to discuss the proposed Stockyard Hill Wind Farm, our representatives will be available by appointment to address your queries however bookings are essential.

Advance bookings are essential.

To organise a time please call **1800 753 730** or email **stockyardhillwindfarm@originenergy.com.au**
