

# Northern Turbine Group Construction Progress

15 October 2021

## Legend

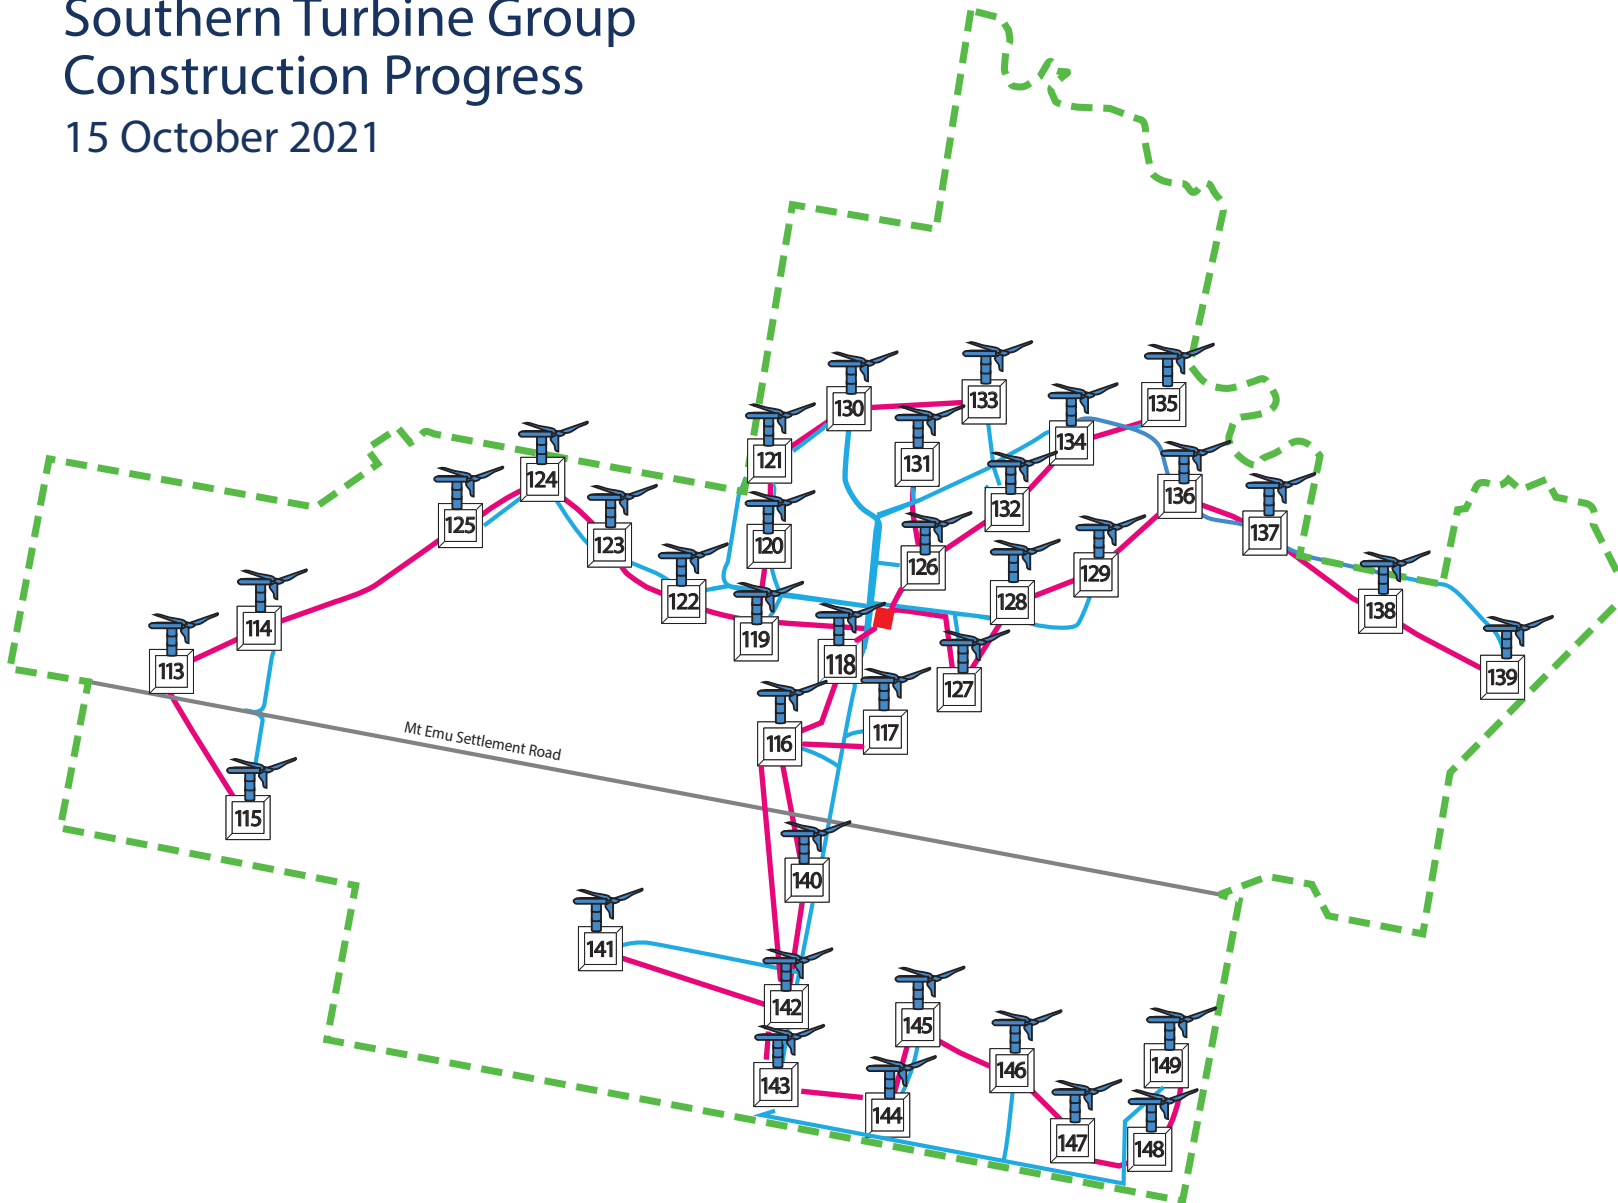

- Wind Farm Boundary
- Access Track Incomplete
- Access Track Complete
- Proposed 33kV Cable Route
- Completed 33kV Cable Route
- Energised Cable
- 33kV Overhead Transmission Line Energised
- Construction Site Office
- Substation

## Turbine progress

- Foundation Location
- Components Delivered
- Pre-installed towers
- Turbine Erected
- Turbine Powered
- Turbine Reliability Run Complete
- Turbine Handover to Service

# Southern Turbine Group Construction Progress

15 October 2021

## Legend
