

CONSTRUCTION UPDATE

STOCKYARD HILL
Wind Farm

#03 – March 29, 2018

The construction of the Stockyard Hill Wind Farm has not commenced but early works continue with surveying and geotechnical works progressing.

Preliminary works on the dedicated wind farm quarry (located on Stockyard Hill-Wangatta Road) including the construction of a dam also is moving ahead.

The works outlined above may result in an increase in traffic flow mainly along Beaufort-Skipton Road and Stockyard Hill Road.
