

CONSTRUCTION UPDATE

STOCKYARD HILL
Wind Farm

#05 – April 27, 2018

Early and preliminary works continue to progress on the Stockyard Hill Wind Farm, with formal construction yet to commence.

Preliminary works on the dedicated wind farm quarry (located on Stockyard Hill-Wangatta Road) including the construction of a dam also is progressing.

The works outlined above may result in an increase in traffic flow mainly along Beaufort-Skipton Road and Stockyard Hill Road.

There may be some minor interruption to traffic in the coming weeks due to upgrades of Stockyard Hill Road.
